

Ditch Witch JT 1220 MACH 1

Horizontal Directional Drill

Rubber Track Options

RT_38

RT_50

RT_38

This track has great results in mud and snow. It is used in application where traction is much more important than the ground left behind.

RT_50

This common track is very similar to the RT_38 except that it is made by a different factory.

RT_38

Check with your sales representative for more options.
